

2.8: Responses to Question 3, by institution (Chart 5 in the portal article)

**Chart 5: Statistically Significant Z Scores for the Spaces that Distinctively Foster Learning Behaviors (by Institution)**

	College A		College B		University C		University D		University E		University F		Total	
	Student	Faculty	Student	Faculty	Student	Faculty	Student	Faculty	Student	Faculty	Student	Faculty	Student	Faculty
<b>Residence halls (Note 1)</b>														
#2: Studying alone	NA		3.29	2.95	3.07		2.23	3.02						
#3: Studying along	NA												5	3
#4: Discussing material with other students	2.87			2.10										
#8: Discussions with others who differ in values	2.29													
<b>Dining halls</b>														
#2: Studying alone	NA	NA												
#3: Studying along	NA	NA											2	0
#5: Discussing material with faculty members			3.19											
#8: Discussions with others who differ in values			2.10											
<b>Student union</b>														
#1: Collaborative learning	2.29										2.63			
#2: Studying alone	NA	NA												
#3: Studying along	NA	NA											2	2
#5: Discussing material with faculty members		2.65												
#8: Discussions with others who differ in values											2.01			
<b>Commons spaces in academic buildings</b>														
#1: Collaborative learning	2.87								2.28	2.06				
#2: Studying alone	NA	NA			3.14	2.43	2.94	2.55	4.33	3.96				
#3: Studying along	NA	NA											6	6
#4: Discussing material with other students	2.00	2.10												
#11: Culminating experience											2.92			
<b>Outdoor spaces</b>														
#2: Studying alone	NA	NA					2.36	2.19						
#3: Studying along	NA	NA											2	2
#4: Discussing material with other students	2.00													
#5: Discussing material with faculty members		2.92												
<b>Libraries</b>														
#1: Collaborative learning	3.17		3.29				2.57		2.24		3.46			
#2: Studying alone	NA	NA	4.52	4.24	4.80	3.25	5.26	4.15	5.33	4.51	4.23	2.92		
#3: Studying along	NA	NA	2.37								2.84		13	7
#4: Discussing material with other students	2.00													
#11: Culminating experience				3.38								2.92		
<b>Computer laboratories</b>														
#2: Studying alone	NA	NA	2.52	3.17	3.47	3.01	2.91	4.21	3.28	3.06		2.01		
#3: Studying along	NA	NA										2.01	4	6
#11: Culminating experience														
<b>Information/Learning commons (Note 2)</b>														
#2: Studying alone	NA	NA							2.28	2.26			1	1
#3: Studying along	NA	NA												

NOTES: (1) Universities E and F are primarily non-residential. (2) Colleges A and B and Universities D and F do not have a learning/information commons.
